Fresh Fruits and Vegetables Program  
We are fortunate enough to have a program at our school that provides a fresh fruit or vegetable three times weekly (usually Tuesday, Wednesday, and Thursday)! They are delivered to classrooms along with a short educational article about the fruit or vegetable to be sampled that day. This year we have had, among other things, multi-colored carrots and tiny bananas. Students have enjoyed the sometimes unique tastes they can sample and we look forward to more interesting fruits and veggies!

**Tidbits:**

- ✓ Stay informed through the year by liking the Fox Hollow Facebook page.
- ✓ Please remember, costumes are not permitted on October 31<sup>st</sup> for the Halloween Class Parties.
